

# FLEETWOOD LEARNING WALL

Enhancing the Learning Experience

# IMAGINE THE FLEXIBILITY

A LEARNING WALL WILL GIVE YOU.

Imagine adjustable shelves, and compartments, and sliding white boards configured to accommodate your exact requirements.

Imagine base cabinet storage that is accessible, attractive, and available in a wide variety of shelf, drawer, and compartment options.

Imagine a more organized and professional environment that will improve your ability to communicate and enhance your students' or colleagues' learning experience.

Whether it's in the classroom or in the boardroom, the Learning Wall adapts to your unique communications requirements.

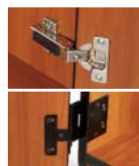

## Product Features

**Steel Drawer Cabinets** feature full steel drawers.

**Toe Kick**  
Contemporary design is attractive and gives the units the built-in look.

**Hinges**

- European 125° door opening
- Hospital tip 270° door opening

**Door Pulls**  
Two types available:

- 1/4" wire pull
- flush style

Full-depth sidewalls and shelving

Recessed shelving with full-depth sidewall

## CONFIGURATIONS

Partial sidewall with recessed shelving

Additional end cabinet storage

Here are a few of the ways Learning Wall components can be selected and arranged. Use these configurations as "idea starters" to build your perfect meeting space.

### CHOOSE FROM SEVERAL BASE OPTIONS

Slide-out drawers, doors, cubbies, shelves, or combinations allow you to create the base that works best for you.

Compliment your Learning Wall with products from our Illusions mobile case goods collection. Attractive and highly functional, these tables, desks, cabinets, and bookcases will make your meeting space your favorite place!
