

DESIGNER COLLECTION STORAGE SPECIFICATION

Designer Collection is a refined and versatile mobile cabinet line that is perfect for general classrooms or specialty spaces. Featuring particleboard construction with perforated magnetic backs, the broad offering not only provides flexible storage space, but also effectively divides classroom space with multiple height units that can be easily re-arranged. Like other Fleetwood products, all units are Michigan-made with no exposed visible edges. Units ship fully assembled for quick installation and are backed with our lifetime warranty.

Types of storage units:

- Pedestals
- Rectilinear open and doored shelving
- Curved (Arc) open shelving
- Cubby open and doored storage
- Tray open and doored storage
- Wardrobes
- Presentation carts
- Workstations

Standard features:

- ¾" thick 45lb. density particleboard substrate with a balanced construction of color-matched, thermally fused laminate (TFL) on both sides of all horizontal and vertical outer and internal panels and shelves, except bottom panels. Bottom panels constructed of 1" thick 45lb particleboard
- Permanently attached 3mm color-matched or coordinating PVC edgeband with ergonomic 1/8" radiused top edge bonded with hot-melt adhesive and trimmed flush on top, bottom and sides of all visible portions of cabinets to create pry-proof edges and structural integrity
- Perforated magnetic steel 18-gauge backs on storage to support hanging and posting of materials in classrooms
- Chrome metal L-bracket and screw butt-joint construction with screws contained to inside of unit. #10 sized screws utilized. Structural 1"x1" steel angle integrated to control deflection as needed on tops and shelving.
- Cabinets secured to plate-mounted casters with 5/16-1" Hex head log bolts
- Stem-mounted 100mm diameter casters with twin-wheel swivel with non-marking thermoplastic elastomer tread for quiet use on hard or carpeted flooring. Nylon casters tested to hold 225 pounds and roll over uneven surfaces.
- ¾" thick particleboard shelving secured with metal screws so shelving cannot be accidentally dislodged
- Shelf placement holes on 32mm increments to allow for shelf repositioning in field
- 1.5" diameter cable passthrough in back of presentation carts
- Gratnell-brand insertable frosted tray storage units with interchangeable, durable plastic trays in 3", 6" and 12" heights and are 12-1/2" wide and 17" deep. When not in unit, trays may be nested or stacked.
- 20-gauge cold-rolled steel drawer construction on box and file drawers mounted to 16-gauge, non-binding full-extension drawer slides on both box and file drawers. Drawers finished with electrostatically applied powder coating.
- Hinges are European style with 125-degree swing and soft close feature
- Individual drawer and door cylinder-type locking mechanisms on closed storage units keyed alike within the cabinet.
- Door and drawer pulls are ADA compliant arch-shaped pulls that are 128mm on center, 132mm in length with 29mm projection
- 100% factory-assembled storage. Units can be rolled into place with no assembly required in field for quick and easy installation.
- Cloth blanket wrapped and cartoned packaging options available. If cartoned, skids are made from recycled materials.

Optional features:

- Custom TFL through specials request process
- Plastic tray combination options (3", 6" and 12" high) on all units with tray storage
- Additional shelves available on request

Surface materials palette:

- Proprietary TFL colors: 20

Warranty highlights:

- Fleetwood brand products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under warranty. Inappropriate application, incorrect installation, unauthorized alterations, improper maintenance, misuse, abuse or accident nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Consumables, natural variations in product, and select non-standard products not covered under lifetime warranty.
- Some products have limited life coverage of 3, 5 or 12 years.
- See full warranty statement for details.
