

LIBRARY SOLUTIONS FOR YOUR SCHOOL

Fleetwood®
Creating Effective Learning Environments™

LIBRARY COLLECTION

Fleetwood's comprehensive Library Collection creates an inviting environment for students to read, research, study or collaborate. In addition, the offering is at home in modern media centers, commons or administrative offices. The Library Collection gives schools the opportunity to create unique, vibrant, and flexible spaces that instill a culture of life-long learning.

USER SIDE

APPLICATIONS

- Libraries
- Media centers
- Commons
- Administration
- Classrooms

KEY BENEFITS

- Broad offering includes shelving, transaction solutions, book carts, and carrels
- Modular to support reconfigurations
- Compatible with Fleetwood's extensive group table offering and seating solutions
- Classic design that won't go out of style
- Built for long-term durability
- Adaptable to field tailoring

TIPS

- Laminate construction supports custom requirements.
- Use reinforced laminate or steel shelves for heavy-duty shelving needs
- Use Fleetwood's free design services for library layout plan design
