

ADJUSTABLE HEIGHT STOOL SPECIFICATION

Adjustable-height stools easily accommodate multiple student body heights, more student active learning, and compressed footprints in art, STEM, CTE (Career & Technical Education), and makerspace classrooms. The sturdy steel construction and natural solid wood seat create an industrial-style aesthetic, practical classroom agility, and easy-to-clean performance in rigorous school environments.

Dimensions:

- Heights: 18-1/2" to 29-1/2" adjustable in 1" increments
- Width: 13" diameter seat

Metal structural frame:

- Fully unitized 4-leg frame from 1" square, 16-gauge steel tubing in upper leg section and telescoping 3/4" square, 16-gauge steel tubing in lower leg section
- 3/4" square, 16-gauge steel tubing welded to each upper leg 12" from seat bottom
- Adjustable-height legs lock in place with lock washers and 1/4-20 button head Hex drive screws
- Electrostatically powder-coated paint all metal parts
- All legs are equipped with swivel glides made with anti-skid plastic
- Height elevates middle and high school students to teachers' eye level to improve one-on-one interaction quality and teacher wellbeing (due to less back strain from bending over) and supports sitting, standing, and perching.
- Stool weight capacity is 275 lbs.

Seat design:

- 7/8" thick, 13" diameter solid hardwood rubberwood seat
- Seat finished in Nitro-cellulose clear-coat finish
- Non-handed, backless design allows users to rotate body position 360 degrees as focus points shift in classroom, which eliminates back-facing positions and/or awkward body twisting.
- Seat attached to stool frame with four #10x1-1/4" phillips panhead screws

Surface material:

- 4 standard paint options
- Clear-coat wood finish on seat blends with any environment

Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.
