

PAGES™ DRY ERASE MARKERBOARD SYSTEM SPECIFICATIONS

Pages Dry Erase Markerboard System takes collaboration to a new level with its multi-stacking, light-weight whiteboards that work individually or mount in multiples to mobile carts, cabinets, and walls vertically or horizontally. The boards' magnetized corners and brackets easily click together or pop apart when supporting either lectures or team projects. Featuring durable high-pressure laminate, the solution proves more environmentally friendly and economical than non-usable paper self-stick easel pads.

Types of units:

- Dry erase markerboards (23-1/2" wide, 42" high and 1/2" deep, 4 markerboards in each set)
- Vertical cart (23-1/2" wide, 62" or 72" high and 22" deep with base)
- Horizontal cart (42" wide, 72" high and 22" deep with base)
- Laminate storage mount kits
- Dry wall mount kits

Standard features Pages dry erase markerboard panels:

- 1/2" deep foam core panels with non-magnetic dry erase high-pressure whiteboard laminate (HPL) bonded to the frontside of core and backer material bonded to backside
- Four plastic corner brackets with magnet mounting pegs allow markerboards to connect to each other for compact storage, to Pages cart, or to wall. Corner brackets provide user hand grips to remove and reposition markerboards.
- Mounting pegs hold up to four Pages panels
- Magnetic mounting peg kits available for wall mounting or storage mounting
- Whiteboards packaged in 4-panel kits
- Each whiteboard weighs 3.75 pounds for quick installation

Standard features Pages cart frame:

- The fully welded frame has two 1-1/2" square, 14-gauge tubular vertical beams with 2"x1" rectangular, 16-gauge tubular crossbar with plastic caps.
- Base made from 1"x2.5" rectangular, 14-gauge steel tubing. Base mounted to frame using two 1/4"-20x1-1/2 hex head cap screws.
- 16-gauge bent steel marker and eraser tray is attached to frame with #10-24x1/2 thread-cutting screws
- Magnetic mounting pegs attached with #10-24x1/2 thread-cutting screws
- Markerboard panels may be attached on either side of frame
- Plastic (type of plastic) foot-locking casters for use on carpet or hard floors featuring toolless field attachment
- All metal parts finished with electrostatically applied powder coating
- Frame is caster-mounted on four locking 75mm diameter dual-wheel swivel stem-mounted casters with non-marketing urethane tread.
- NOTE: A Pages cart can hold a maximum of 4 dry erase boards per side

Standard features Pages drywall and storage mounting kits:

- Metal .871" diameter magnetic mounting pegs with protective plastic corner handles attach with screws to wall or laminate backs of storage units. Paper template provided for easy installation. Use plastic drywall anchors, #10x1.5" truss phillips wood screws, #10x.875 Phillips pan head screws to mount on laminate storage
- Mounting template included
- NOTE: Wall-hung or storage-hung Pages mounting kit holds up to 4 dry erase boards.

Surface materials palette:

- 4 standard paint options
- Laminate whiteboard

Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.
