

Seating

Comfortable ■ Energizing ■ Cool

Fleetwood seating collections are developed to comfortably support students while encouraging healthy movement that helps improve engagement and learning. Our chairs are made for a wide range of kids' bodies and all sorts of school settings, from the classroom to the cafeteria. They're also pretty cool – distinctive, colorful and oh-so-inviting.

Rock

Seating

Rock active stools elevate learning by promoting body movement and student engagement. The unique, patent-pending seat design encourages the kind of motion that turns tired, distracted students into active learners. Sturdy backless design, age-appropriate height options and gentle seat contours improve blood circulation, posture, attentiveness and eye-to-eye interaction.

Soft Rock

Seating

Like the Rock stool, this fully upholstered seating solution is designed to encourage students to move in ways that naturally focus attention and engagement. It can be equipped with a special base that allows an even wider range of motion. Soft Rock is available in multiple heights to suit different body sizes and create a varied visual landscape.
