

C-Leg Computer

Strong • Accessible • Neat

Accommodate large digital displays and CPUs by routing cords through the rugged steel wire management box at the back of this table. The wire management box flips up for easy access.

A WORKHORSE

Multiple visual screens and large computers are essential for intense programming.

TECHNOLOGY SAVVY

Large digital displays and excessive wires are no problem. The large table features a wire management box and flip top.

FLEETWOOD TOUGH

Classic fully-welded joinery and high-gauge steel construction make this a table you can depend on for generations of students.
