

Designer 2.0

Clean • Versatile • Core

The clean, refined look of our Designer 2.0 series is timeless – a good thing, since the furniture is built to last a lifetime. Our one-of-a-kind casters make it easy to move and repurpose pieces, while ergonomic edges and anti-tipping mechanisms enhance safety. Abundant aesthetic and functional options include particleboard, pegboard and markerboard backs.

DIVIDE AND CONQUER

Use Designer 2.0 to create teaming hubs for students while separating groups and supporting monitors or markerboards. Designer 2.0's high-quality casters make reconfiguration easy for students and teachers. Robust counterbalance weights keep storage units stable.

ALL WORKS TOGETHER

Designer 2.0 is platformed to align with our other product lines. Use it alone or mix it with our complementary Illusions 2.0 and Fleetwood tables.

ALWAYS IN STYLE

Designer 2.0 features crisp lines with tight joinery and soft edges that continue to look fresh years after installation.
