

Soft Rock Stool and Floor Cushion

Cushy • Lively • Cheerful

Like the Rock stool, this fully upholstered seating solution is designed to encourage students to move in ways that naturally focus attention and engagement. It can be equipped with a special base that allows an even wider range of motion. Soft Rock is available in multiple heights to suit different body sizes and create a varied visual landscape.

FLOOR CUSHION

Height	Grade
12"	K-1
14"	1-2
16"	2-5
18"	5-12

FIDGET FRIENDLY

Choose a fixed base or patent-pending active-base seat mechanism that allows even more movement and productive fidgeting.

KID COMFORTABLE

Dense foam in the stool body provides excellent support while softer foam in the top section enhances the cushion factor.

SMART DESIGN

Detail stitching, stain-resistant fabric and dual-density foam optimize aesthetics, cleanability, comfort and stability.
