Tables & Desks

Storage

Seating

Accessories

It seems simple, so why doesn't it happen more often? Tables and storage and shelving should match – same height, depth, width and color palette – to create a harmonious environment. Fleetwood furnishings coordinate seamlessly with each other, so you can confidently mix and match, repurpose pieces from room to room, and add components whenever you need them.

We are Fleetwood...

A company ...

...with a portfolio broad enough to furnish an entire school (or K-12 district)

...with products durable enough to last for generations, yet flexible enough to adapt to changing needs

...that infuses its design with research about student engagement and activity

...that meets delivery commitments and offers a best-in-class warranty

...that dedicates 20% of its profits to mission work

...that is 100% owned by its employees

...proud to design and build all of its products in the USA

We've got your entire campus. We've got you.

Why specify from multiple manufacturers when you can get everything you need from a single source? We're ready with research-based applications for every space on your campus except the custodian's closet. (Give us some time and we'll come up with a solution for that, too.)

With Fleetwood, you can be sure all your furniture will work together, no matter how often you need to rearrange, reconfigure and redesign your spaces. Adding Fleetwood to your existing furniture inventory? Our clean, timeless designs complement most any environment. Plus, we can match the colors and finishes of many other manufacturers.

How to use this book

OVERVIEW PAGES

Product overview pages narrow your search for products.

Utilize product charts to understand sizes, recommended applications, and various styles and options.

PRODUCT HIGHLIGHTS

Check out product introduction pages to learn about product features, dimensions, application rules, and shipping.

CALLOUTS

- Dimensions charts highlights key external and internal product dimensions.
- Product images show important features.
- Shipping information describes if products ship fully assembled, partially assembled or ready to assemble. It also notes how hardware, casters, pulls and other items are shipped.
- Photos show unique features.

SPECIFICATION REQUIREMENTS AND OPTIONS

UNITIZED FRAME	STANDARD	OPTION	OPTION PRICE
MODEL NUMBER	See Chart		
FINISH	See Chart		
HEIGHT	29" or 30"		
WARRANTY	3 years		
TABLE	See Chart		
DESK	See Chart		
OPTIONAL ACCESSORIES	See Chart		
ASSEMBLY	See Chart		

WHAT TO ORDER, STANDARDS & OPTIONS

Read the "Specification requirements and options" charts before ordering to learn about defaults, product options, codes, color choices and upcharges. If an option code is needed, you will see it called out in the pricing chart. It will usually appear in the dark gray shaded row.

However, in most cases, instead of using an alpha or digital code for options, you can either select the described option electronically (in CET, ProjectMatrix, etc.) or type the description called out under OPTIONS manually. In this case, the final model number will be automatically created or Fleetwood will do it for you.

SPECIFICATION AND PRICE CHARTS

Find specific sizing, base model numbers, specifiable features, model number option codes, base list pricing, and option pricing within the specification tables. At the bottom of the table, find key tips if applicable.

KEY TO ABBREVIATIONS

TFL.....Thermally Fused Laminate
HPL.....High Pressure Laminate
W.....Width
D.....Depth
H.....Height.

QUICKSHIP

Notice that pricing charts are color coded to call out our Quickship products. If you see teal-colored type, express shipping is available after January 2024

FINISHES

Look at the FINISHES section to understand Fleetwood's standard color palette. If your organization doesn't have Fleetwood sample sets, please call us at 800.257.6390 or contact us at fleetwoodfurniture.com.

FINISHES
The table great pride helping you make your school unique and appealing. Our newest standard laminates, paints and fabrics were carefully selected to provide fresh colorways that stimulate engagement. We also team with top surface material manufacturers to create your personal statement from their extensive standard palettes. Or, for functionality and durability, choose marbleboard, phenolic resin or maple block options.

LAMINATE GRADING SYSTEM
All Fleetwood storage products, desks and tables are available in five grades of laminate with the exception of our wood frame science tables. The base price in this price list are based on Grade 1 laminate, unless the product description calls out a specific laminate. The black HPL, black chemical resistant HPL, black chemical resistant phenolic resin or maple block. The five laminate grades are shown below. For pricing on G2 through G5 to be applied, specify a minimum of 25 units.

Laminate Type	Grade 1 (G1)	Grade 2 (G2)	Grade 3 (G3)	Grade 4 (G4)	Grade 5 (G5)
Finish	Thermally Fused Laminate (TFL)	Thermally Fused Laminate (TFL)	High Pressure Laminate (HPL)	High Pressure Laminate (HPL)	High Pressure Laminate (HPL)
Grade 1 (G1)	See Chart	See Chart	See Chart	See Chart	See Chart

KEY INFORMATION

Be sure to review the KEY INFORMATION section to learn about new, enhanced and discontinued products.

The SPECIAL AND CUSTOM PRODUCTS portion of the section provides an overview of the process we use to meet your unique needs. To save time, check out our chart on price guidelines for simple dimensional and surface material specials. If you don't see what you're looking for, please call us for a quote.

PRODUCT MODEL INDEX

If you know your model number, use the index in the back of the book to find products.

In addition to this price list, find and specify Fleetwood products on My Resource Library, 20/20, CET and Project Matrix.

Specifications, options, pricing and details

Ordering is easy if you follow some basic steps. For most products, you’ll just select the model number, finish codes and finish names. Some products have options that ship with the product. These might include pulls, mobility features (levelers, wheelbarrow, casters), or storage features that ship with the basic unit. For these, you will usually select a feature code, finish color and price upgrade. Below are three examples for tables, storage and seating. If you have any questions, please call us for help.

TABLES & DESKS EXAMPLE

How do you order a 27" wide by 20" deep by 29" high C-Leg table with casters, a rectangle worksurface with HPL G5 color?

STEPS

NOTE: While codes are shown below in some examples, model numbers will build automatically if you are using an electronic tool to specify.

STEPS	MODEL/CODES/OPTIONS	LIST	COLOR SELECTIONS
1	Select model number for 27" w x 20" d table	TUNR2720	
2	Add height code for fixed height 29" H. Add price.	F29	\$358.00
3	Option on casters. Add upcharge.	Casters (C)	\$72.00
4	Option on HPL G5 choice. Add upcharge.	HPL G5	\$18.00
5	Specify finishes	\$448.00	
	Worksurfaces - HPL G5		Provide Wilsonart color number, finish & name
	Edgeband for worksurfaces		Silver
	Frame		Silver

*Can't find a code? Don't worry about it. Just call out the name of the option and we'll add it for you. In many cases, codes have been eliminated and replaced with descriptions to add clarity.

Tables & Desks

Versatile • Robust • Compatible

A wide variety of worksurface shapes and sizes, leg heights and accessories makes our tables and desks adaptable to virtually any school application. They're built to withstand decades of daily use and are designed to complement all other Fleetwood products.

KEY FEATURES

- Fixed height and adjustable height leg options
- Heavy-duty levelers or locking casters
- 1" thick high-pressure laminate worksurfaces
- Pick-proof, moisture resistant worksurface edges stand the test of time
- Smaller depth options support condensed footprints and wider aisles

Tables & Desks

Overview

The heights, widths and depths of all our tables and desks align perfectly to guarantee a perfect fit. Color and finish options extend universally across the product selection to ensure a cohesive look. Rely on Fleetwood to maximize compatibility within and between school spaces, now and in the future.

Tables & Desks

You can depend on this rugged yet refined table to stand up to the most demanding classroom challenges, including science spaces. Height adjustability, mobility and technology options accommodate different users and purposes while enabling easy reconfiguration within or between rooms. Dent-resistant, welded steel frames impart exceptional strength and stability.

WORKSURFACE

- 1" thick worksurfaces except for Maple Block
- HPL (standard)
- HPL Specialty
- Phenolic Resin
- Solid Maple Block (1-3/4" thick)
- Rectangle shape with square corners
- Plane shape with rounded corners

FRAME AND LEGS

- Fully welded
- A** Perimeter rectangle tubular frame under perimeter of worksurface.
- Perimeter frame is 3-sided on tops 30" wide or less
- Perimeter frame is 4-sided on tops 36"-72"wide
- Square or round tube legs for rectangular tops
- Square tube legs for rectangular computer tops
- Round tube legs for plane and other shaped tops
- See ADJUSTABLE HEIGHT for other features

MOBILITY

- 1.5" diameter levelers - all legs
- 2" diameter levelers - all legs (square legs with phenolic or maple block worksurface material)
- Wheelbarrow - 75mm casters and 1.5" diameter levelers
- 75mm casters - all locking
- 5" casters - All locking (square leg only)

SHIPPING

- Worksurfaces ship stacked, separate from frame/leg assembly, unless table is specified assembled
- Frame/leg assemblies ship stacked, unless tables is specified assembled
- Levelers or caster stems installed on legs
- Casters field installed

3 sided shown
4-sided available

FIXED HEIGHT

- 29" high

ADJUSTABLE HEIGHT

- 20"-28" high
- 24"-32" high

KEY FEATURES

No side or foot rail bar standard on:

- 20"-28" high - no visible adjustment holes between 20"-23" heights
- 24"-32" high - no visible adjustment holes
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

ADJUSTABLE HEIGHT WITH SIDE RAILS

- 29"-42" high

KEY FEATURES

Side rail bar standard on:

- Adjustment holes may be visible below 34" height
- 29"-42" - Potential visible adjustment holes between
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

ADJUSTABLE HEIGHT WITH SIDE AND FOOT RAILS

- 29"-42" high (with 36", 42", or 48" deep worksurface. All worksurface depths)
- 34"-42" high

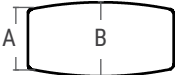

KEY FEATURES

- Side rail & foot rail are 8.5" above the floor
- Foot rail bar is centered between legs
- Foot rail diameter is 1.25"
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

C-Leg

SINGLE-STUDENT • TWO-STUDENT • TEACHER

Tables & Desks

Small desks maximize classroom space, but four-legged versions can be overly confining to seated students. Give your students more knee swing and attention-enhancing comfort with this C-Leg solution.

FIXED HEIGHT

- 29" high

ADJUSTABLE HEIGHT

- 24"-32" high
- 29"-42" high
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- Rectangle shape with square corners
- Plane shape with rounded corners

MOBILITY

- 2" diameter levelers
- 75mm casters - locking

FRAME AND LEGS

- Fully welded
- Square tube legs
- Rectangle crossbar
- Rectangle base
- Bag hook accessory attaches to bar
- See ADJUSTABLE HEIGHT for other features

SHIPPING

- Worksurfaces ship stacked, separate from frame/leg assembly
- Frames ship nested
- Levelers or casters installed
- Height adjustment tools included if needed

SPACE BETWEEN LEGS

Work Surface	Distance Between
Width	A
27"	22.44"
54"	49.44"

C-Leg - Computer

SINGLE-STUDENT • TWO-STUDENT • TEACHER

Tables & Desks

Accommodate large digital displays and CPUs by routing cords through the rugged steel wire management box at the back of this table, which flips up for easy access. Other computer tables available. See Unitized Frame and I-Leg sections.

FIXED HEIGHT

- 29" high

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- Square corners on back and access door
- Rounded corners on front, 2" radius

MOBILITY

- 1.5" diameter levelers - all legs
- 75mm casters - all locking

FRAME AND LEGS

- Fully welded
- Square tube legs
- Rectangle crossbar
- Rectangle base
- Bag hook accessory attaches to bar

ADDITIONAL FEATURES

- A** Steel wire management tray
- B** Flip top access to wire management box square corners

SHIPPING

- Ships assembled
- Levelers or casters installed

SINGLE-STUDENT • TWO-STUDENT • GROUP • TEACHER

Tables & Desks

This alternative to traditional four-leg tables supports different aesthetic and functional needs while increasing knee swing area under the worksurface to promote productive fidgeting.

FIXED HEIGHT

- 29" high - No foot rail

ADJUSTABLE HEIGHT

- 25"-32" - No foot rail
- 29"-42" - No foot rail
- 34"-42" - With foot rail
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- Rectangle shape with square corners
- Other shapes with rounded corners

MOBILITY

- 2" diameter levelers
- 75mm casters, locking

FRAME AND LEGS

- Fully welded
- Square tube legs
- Rectangle crossbar
- Rectangle tube base
- Bag hook accessory attaches to bar
- Foot rail with 34-42" adjustable height range

SHIPPING

- Unit ships ready to assemble.
- Frame assembled and levelers or casters installed

Tables & Desks

Give teachers the flexibility to move tables in and out of active use as needed. Press the recessed activation bar to flip worksurfaces up and roll them out of the way – or use them for vertical display.

FIXED HEIGHT

- 29" high - No foot rail

ADJUSTABLE HEIGHT

- 21"-28" - No foot rail
- 25"-32" - No foot rail
- 29"-42" - No foot rail
- 34"-42" - With foot rail
- 1" height adjustment increments
- Tamper resistant, dual height adjustment system

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- TFL
- Rectangle shape with square corners
- Plane shape with rounded corners

MOBILITY

- 75mm casters - locking - all legs

FRAME AND LEGS

- Fully welded
- Square tube legs
- Rectangle crossbar
- Rectangle tube base
- Activation bar and mechanism integrated into frame

ADDITIONAL FEATURES

- A** Standard frame inset is 4"
- 72" wide tables have a 10" inset
- B** Activation bar

SHIPPING

- Unit ships assembled

Stacker

SINGLE-STUDENT • GROUP

Tables & Desks

Classrooms need tables but experiential learning also requires open areas. You can achieve both goals with these fully welded steel-leg tables, which stack up to three high.

- FIXED HEIGHT**
 - 29" high
- ADJUSTABLE HEIGHT**
 - 24"-32"
 - 1" height increments
 - Tamper resistant, dual height adjustment system
 - No visible adjustment holes
- WORKSURFACE**
 - 1" thick worksurfaces
 - HPL (standard)
- MOBILITY**
 - 1.5" diameter on all levelers - all legs
 - Wheelbarrow - 75mm casters and 1.5" diameter leveler combination
 - 75mm casters - all legs
- FRAME AND LEGS**
 - Fully welded
 - Perimeter rectangle tubular frame under perimeter of worksurface.
 - Perimeter frame not on worksurface front
 - Rounded tube legs
 - See ADJUSTABLE HEIGHT for other features

ADDITIONAL FEATURES
A Protective worksurface bumpers

- SHIPPING**
- Worksurfaces ship stacked, separate from frames
 - Frames ship stacked
 - Levelers or caster stems installed on legs
 - Casters field installed

Space Smart.
All Stacker table shapes can be stacked up to three high to save space when they're not in use and to ease floor cleaning.

Pneumatic Base

SINGLE-STUDENT • TWO-STUDENT • GROUP • TEACHER

Tables & Desks

Promote healthy movement by enabling teachers or students to alternate between sitting and standing heights throughout the day. An easy-to-operate handle underneath the worksurface adjusts height.

ADJUSTABLE HEIGHT

- Single column on casters: 28"-45"
- Double column on levelers: 28"-48"
- Double column on casters: 31"-51"

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- Rounded corners on Plane and Sidekick

MOBILITY

- Levelers - double column only
- 75mm casters - single & double column
- 3"H increase on castered double column

FRAME AND LEGS

- 3-part pneumatic column with flat top plate
- Non-stepped adjustability
- Rectangle base
- Silver paint only
- 35lb. capacity when in motion
- 400lb. capacity when in fixed position

ADDITIONAL FEATURES

- A

Under worksurface mounted handle to adjust height of worksurface

SHIPPING

- Table ships assembled with casters or levelers installed

Sit to Stand.

An easy-to-operate handle mounted under the worksurfaces adjusts the height of single-column table over a range of 28"-45".

Crank Height Adjustable

SINGLE-STUDENT • TWO-STUDENT • GROUP

Tables & Desks

Give students the power to gain new leverage or perspective on their projects through vertical table movement. Table legs and worksurfaces are engineered to support heavy weight.

ADJUSTABLE HEIGHT

- 27"-38.5" for 1" thick worksurface
- 1.75" thick maple block worksurface adds .75" to height ranges.

WORKSURFACE

- 1" thick worksurfaces
- HPL (standard)
- Solid Maple Block (1-3/4" thick)

MOBILITY

- 2" diameter levelers - all legs

FRAME AND LEGS

- 11.5" height adjustable legs
- Tubular base
- Metal modesty panel. Color matched to legs

ADDITIONAL FEATURES

- A** Crank handle
- B** Anodized finish on upright
- C** Painted finish on foot

SHIPPING

- Ships assembled
- Levelers installed

Picnic Table & Bench

GROUP

Tables & Desks

Bring the outside in with this variation of an outdoor picnic table. The familiar vibe is meant to help students connect more informally in classrooms or common areas.

FIXED HEIGHT

- Table: 24", 29"
- Bench: 14", 18"

WORKSURFACE AND BENCH

- 1" thick worksurfaces
- HPL (standard)
- Rectangle shape with square corners

MOBILITY

- 1.5" diameter levelers

FRAME

- Fully welded
- Rectangle tubular frame under perimeter of worksurface.
- Perimeter frame is 4-sided on tops 36"-72" wide
- Square tube legs for rectangle tops

LEGS

- Square

SHIPPING

- Worksurfaces ship stacked, separate from frame/leg assembly, unless table is specified assembled
- Frame/leg assemblies ship stacked, unless tables is specified assembled
- Levelers installed on legs

Fleetwood has multiple storage solutions. To pick the right one for your school, think through the following questions:

What’s your need?

APPLICATION	PRODUCTS TO CONSIDER
General classroom	Designer 2.0, Illusions 2.0, Sheerline
High mobility	Designer 2.0, Sheerline
Perimeter planning (Architectural built-in alternative)	Illusions 2.0
Blended: mobility and architectural	Blend Designer 2.0 and Illusions 2.0
Space division (short-term)	Designer 2.0
Space division (long-term)	Illusions 2.0
Industrial (i.e. makerspaces, CTE, etc.)	Sheerline, Designer 2.0
Library or media center	Library, Designer 2.0, Illusions 2.0
Music	Harmony
Administration	Designer 2.0, Illusions 2.0, Library (transaction desk)

What’s the look you want?

STYLE	PRODUCTS TO CONSIDER
Classic, timeless	Designer 2.0, Illusions 2.0, Library, Harmony
Industrial, rugged	Sheerline

DESCRIPTION

DESIGNER 2.0

Broad portfolio with 6” planning module
Units designed for stand-alone use
Dimensionally compatible with other Designer 2.0 units, Illusions 2.0, and Fleetwood tables
Includes markerboard and media solutions
Common widths: 30”-48” (Unique products with widths up to 60”)
Heights: 24”, 29”, 37”, 44”, 68”
Depth: 20” (Drawer and workstation storage have unique depths)

ILLUSIONS 2.0

Broad portfolio with 3” and 6” planning modules
Units used as stand-alone or modularly (where units can be joined together to create a built-up solution)
Dimensionally compatible with other Illusions 2.0 units, Designer 2.0 and Fleetwood tables
Includes markerboard and media solutions (Learning Wall)
Common widths: 24”-48”
Heights: 29”, 37”, 68”, 76”, 84” (Some products in 24”, ADA, and 44” heights)
Depths: 14”, 20”, 24”, 25”

SHEERLINE

Concise statement of line
Widths: 48” (some exceptions)
Heights (nominal): 34”, 60”, 72”
Depths: 22” on most products (Drawer and workstation storage have unique depths)

LIBRARY 2.0

Portfolio on 6” planning module
Includes transaction desks, bookcases, carts
Widths: most products have 36”, 42”, 48”, 60”, 72” options
Heights: varies by item with nominal 24”, 30”, 36”, 48”, 60” for most items
Depths: varies by storage function

HARMONY

Comprehensive offering for music room storage to accommodate instruments and paper storage
Widths: range of widths based on storage type. Up to 75”
Heights: range of heights based on application. Up to 92”
Depths: varies by storage function

Pick the storage that’s right for you

Fleetwood has multiple storage solutions. To pick the right one for your school, think through the following questions:

AESTHETICS, MOBILITY AND CONSTRUCTION

Designer 2.0

Clean • Versatile • Core

The clean, refined look of our Designer 2.0 series is timeless – a good thing, since the furniture is built to last a lifetime. Our superior casters make it easy to move and repurpose pieces, while ergonomic edges and anti-tipping mechanisms enhance safety. Abundant aesthetic and functional options – including particleboard, magnetic pegboard and markerboard backs – can be fine-tuned to fit any storage need and budget.

DIVIDE AND CONQUER

Use Designer 2.0 to create teaming hubs for students while separating groups and supporting monitors or markerboards. Designer 2.0's high-quality casters make reconfiguration easy for students and teachers. Robust counterbalance weights keep storage units stable.

ALL WORKS TOGETHER

Designer 2.0 is platformed to align with our other product lines. Use it alone or mix it with our complementary Illusions 2.0 and Fleetwood tables.

ALWAYS IN STYLE

Designer 2.0 features crisp lines with tight joinery and soft edges that continue to look fresh years after installation.

UNIQUELY YOURS

Giving you choices is our specialty. Choose your configuration – basic laminate or metal shelving, cubbies and drawers. Choose your size – from 24" to 68" high and from 24" to 48" wide in 6" increments.

SIZES

- W: 24" to 48"
- D: 20", 24", 27"
- H: 24" to 68"

MOBILITY

- Caster

FINISHES

- TFL
- HPL (tops under 68"H)

Shelf

Designer 2.0

- TOP**
 - 1" thick
 - HPL (under 68" high units)
 - TFL (68" high units)
 - 3mm edgeband
- BACK**
 - TFL (default)
 - Magnetic markerboard
 - Magnetic pegboard
- SHELF**
 - Adjustable, fixed, and base
 - 100 lb. capacity
 - TFL & Painted Metal
 - TFL (default on 24"-36"W, not available on 42"W and 48"W).

NOTE:
Vertical and horizontal internal shelves and dividers are 3/4" thick and reduce usable square inches.
* Nominal: matches dimensions shown on pricing chart

Cubby shelves are shipped to accommodate 3-ring binder height. When delivered, the top cubby opening may be shorter than other cubby heights because of the overall cabinet height restrictions. Cubby shelf height is adjustable in 1” increments, so adjust height to achieve desired cubby sizes. You can also add or subtract cubby shelves to achieve the desired number of compartments.

68”H units and above will have one fixed shelf at 43” from floor.

Cubby width is fixed and equally divided within the unit. To determine cubby width, subtract .75” for each vertical panel from the overall cubby storage width dimension. Take that number and divide by the number of vertical cavities. For example, for a 48”W cubby unit with 3 cubbies will have 4 vertical panels. The cubby width is 15”.

See equation below.
(Overall width in inches-(#vertical panels x .75”))/3=cubby width (48-(4*.75))/3=15

Illusions 2.0

Architectural • Limitless • Futureproof

Get the look and feel of built-in storage solutions without the time and expense. Illusions 2.0 supports perimeter and space-division planning without locking you in – it's easy to move and reconfigure components as your needs change. Multiple sizes and configurations combined with modular flexibility give you near-endless options for personalizing your space.

BUILT-IN LOOK WITHOUT THE EXPENSE

Most built-ins limit you to shelves, doors and maybe a few drawers. Illusions 2.0 allows you to do so much more, accommodating layered markerboards and digital solutions.

EASY “DO-OVERS”

If functional needs change, Illusions 2.0 morphs easily. Reconfigure existing components or add or subtract units to support new teaching methods.

PERIMETER AND OPEN

Illusions 2.0 is finished on the back, equipped with counterbalance weights and attached to adjoining units – making it a safety-conscious solution that’s equally at home against a wall or separating classroom space.

FAST, NO-TRADES INSTALLATION

Your dealer rolls Illusions 2.0 off the truck and into finished classrooms, so everything is “teacher ready” in hours versus weeks. It’s the perfect solution for both new construction and renovations.

SIZES

- W: 15” to 48” (storage, some exceptions)
- 48” to 120” (spanning worksurface)
- D: 14”, 20” (storage)
- 20”, 24” 25” (worksurface)
- H: 24” to 84”

MOBILITY

- Leveler
- Leveler/caster assembly

FINISHES

- TFL (case)
- HPL (worksurface)

All-around performer

Illusions shines in any school environment – from the art room to the teachers’ lounge

ART ROOM APPLICATION

TEACHERS’ LOUNGE APPLICATION

Application ideas

14" deep bookcases team with a 14" deep media hutch for a space-saving solution.

Doored-storage units team with a media hutch to create a clean, secure storage and display space.

Media displays, markerboards and analog storage solutions combine to provide a multi-dimentional classroom solution.

A wide variety of storage units come together to create a unique storage wall in this art room environment.

20"D base cabinets are teamed with 14"D shelving and media hutches to create a functional wall assembly.

14"D and 20"D storage are teamed together, resulting in easy-access storage with generous worksurface areas.

Wall-hung overhead storage units teamed with spanning worksurfaces with backsplashes add additional workspaces in the classroom.

Illusions 2.0 desking units join with storage to create great individual focus areas for students away from normal classroom activities.

Illusions 2.0 Planning Overview

Illusions 2.0 cabinets come in a variety of widths, heights, and styles to support many of the storage needs found in the classroom.

WIDTH LOGIC

Illusions 2.0 components support 3" and 6" wide planning modules with 15"W to 48"W components. This design allows almost wall-to-wall fit up. This logic parallels Designer 2.0 which offers 30"-48"W components in 6" width modules for most components.

Widths: 15", 18", 24", 30", 36", 42", 48"

HEIGHT LOGIC

Illusions 2.0 components are in heights from 29"H to 84"H for most components. A few components, like bookcases, also are available 24"H. Base storage units, which accept worksurfaces, are 29"H and 37"H, and align with Fleetwood table heights. The 29"H, 37"H, 44"H and 68"H align with Designer 2.0, so these platforms work seamlessly together.

Heights: 29", 37", 68", 76", 84"

Learning Wall heights: 68", 76", 84"

Storage hutches, monitor hutches and markerboard components stack on top of base storage units (with worksurfaces). Different combinations of base and stacked storage units result in 68"H, 76"H and 84"H assemblies. The various combinations are called out below:

Depths: 14", 20", 24"

DEPTH LOGIC

Base cabinets and tall storage are 20"D. Bookcases, hutches and overhead storage are 14"D. The 14"D bookcases and hutches perform excellently in tight spaces. The 20"D cabinets support classroom space compression and align with Designer 2.0 depths to further enhance compatibility.

14"D bookcase with built-in top

20"D base cabinet cabinet with 20"D worksurface and no filler

20"D base cabinet with side filler to support 24"D or 25" D worksurface

If a deeper worksurface solution is desired, the application needs to accommodate plumbing or electrical in the back of the cabinet, order a deeper worksurface (24"D flush-front and 25"D drip-edge options). If using the 24"D or 25"D worksurface, the back of the worksurface will overhang the back of the storage by 4". This creates a fully open 4"D chase that accommodates piping, HVAC, or cable routing.

To cover the chase opening at the end-of-run, use a 4" filler panel. Two options are available – a base side filler that attaches to the end-of-run base cabinet or a tall cabinet side filler that attaches to the end-of-run tall cabinet. See the filler section for more information.If using the 25"D worksurface, a 1" drip-edge will extend beyond the cabinet face.

The 14"D hutches may either align with the back of the worksurface or the front of a 20"D or 24"D worksurface. Side fillers are available via specials to conceal gaps if the hutch is used flush with the front of the worksurface.

When space is very tight and only shelving is needed, consider using all 14"D bookcases and hutches.

14"D bookcase Hutch on top of 14"D bookcase

20"D base cabinet with no filler Hutch on top of 20"D cabinet

24"D base cabinet with base side filler. Hutch on top of 24"D cabinet

20"D base cabinets and tall cabinets with hutch pulled forward to be flush with the front

BASIC APPLICATION LOGIC

FREESTANDING OR ATTACHED

Depending on the desired level of permanence, Illusions 2.0 can function totally freestanding due to its ample counterbalance system and weight-bearing capabilities, utilize both freestanding and wall-hung components, or bolt to floors and walls to comply with geographical code regulations.

BASIC APPLICATION LOGIC

Illusions 2.0 works in multiple settings. Use it for perimeter applications or space division. Select simple, full-storage options or high-tech educational aids. Illusions 2.0 is at home in either expansive wall-to-wall settings or tight, compressed spaces.

PERIMETER-BASED STORAGE

Illusions 2.0 works like built-in cabinetry, but it reduces installation cost and time, plus it gives you long-term flexibility. Use the space efficient 20”D worksurfaces with 20”D storage or more traditional 24”D or 25”D worksurfaces with storage and fillers to create custom looks.

While traditional built-ins usually only offer shelves with doors, Illusions 2.0 wide breadth of line also provides cubby, drawer, tray, and other storage options.

STORAGE USED AS SPACE DIVISION

Create semi-permanent room division where Illusions 2.0 either touches or stands independent from the walls. Change your mind? Just elevate the levelers and use concealed casters to easily roll Illusions 2.0 to its next location. If a quick-change space division solution is desired, consider Illusions 2.0 compatible Designer 2.0.

LEARNING WALL LAYERED APPROACH

Place display monitors, markerboards, and storage in one easy to access unit that optimizes teaching methods and floor space. Objects tuck efficiently behind sliding boards for easy access without clutter.

Because base cabinets can be 29” or 37” high, both kindergarten and high school students can comfortably reach markerboards. Media hutches work with 14” or 20” deep base storage.

SPACE COMPRESSION

As classroom sizes shrink, employ Illusions 2.0 to maximize vertical and horizontal real estate. Units reach up to 84” high and can be as narrow as 14” deep. This allows storage and media to go on one wall and frees up crucial wall space for other uses. It also opens up aiseways.

TECHNOLOGY FOR GROUP WORK

Maximize flexibility as students shift between lecture and project work. After teacher-led instruction or demonstration, students can shift their tables to the digital display to enable teamwork. If they need markerboards, they can either use Pages™ markerboard system or the backs of Designer 2.0 tall cabinets.

Understanding Illusions 2.0 components

Modular Illusions 2.0 components are dimensioned to work in harmony together. While many varieties of components exist, the basic categories are highlighted below.

MODULAR COMPONENTS

- A - Base cabinet
- B - Base corner filler
- C – Spanning worksurface
- D – Spanning backsplash
- E – Overhead storage unite
- F – Hutch
- G – Overhead corner filler
- H – Tall storage
- I – Side filler
- J– Tall (side) filler

All of these components will be described in more detail later in this guide.

Assembled modular components

CABINETS

All cabinets feature .75" thick TFL laminated particleboard with 1mm matching edgeband. Cases feature camlock construction and ship assembled. Cabinets are 14" and 20" deep with optional 24" and 25" deep solutions. Storage ranges from 15" to 96" wide based on function. They are designed to support planning in 3" or 6" wide modules. Most cabinets feature counterbalance weights and false bottoms. 4" levelers or leveler/caster combination hardware is under the false bottom. The false bottoms feature two back holes so rear levelers can be easily adjusted. Front levelers are adjusted by accessing the gap between the front of the case and floor.

Base cabinets are standard without a top and have metal stretchers. The front stretcher also serves as a decorative reveal.

Tall cabinets, hutches and wall-hung units have a decorative metal stretcher in the front with a 1" thick TFL top.

Back panels, side panels and case fronts feature TFL laminate on both sides with 1mm edgebanding matched to case color.

Toe kicks are 4" high and match case finish. They can be attached to cove molding. The 4" height creates alignment with the base of Designer 2.0 cases.

Shelving is standard in TFL laminate. Units may have either or both fixed and adjustable shelving. Adjustable shelving features discreet mounting hardware that can be adjusted in 1"H increments. Both fixed and adjustable shelves may be optioned in metal. Additional adjustable shelves can be ordered for cabinets offering this option.

In addition to a full line of shelving, drawers, trays, lockers and other cases, sink cabinets are available. Sink cabinets come with a diagram showing allowable sink cutout area. Sink and plumbing hardware are not included.

14"D bookcases are available to complement 20" deep cabinets. The 6" offset is part of the design intent of the line. No fillers are available for the bookcases. They should be physically connected to other Illusions 2.0 cases during installation using through bolt connectors. 14" deep bookcases may be used with or without the 20" deep storage cases. Connect 44" high and taller units to the wall to prevent accidental tipping.

Double-sided bookcases are also available for use away from the wall. These bookcases are used in conjunction with end cap bookcases that finish off the end of a run.

Connecting multiple cases: Standard bolt through connectors ship with each case at no additional charge for field

installation. Optional quick-connect brackets are also available to secure base cabinets together.

Fillers are designed to conceal gaps between the cases and wall. Fillers are .75" thick TFL with 1mm edgebanding. In some cases, installers may want to cut the fillers to size. Multiple types of fillers are available (side, tall, front, corner). To understand fillers better, see "Filler basics."

WALL-HUNG CABINETS AND HUTCHES

Wall-hung cabinets include a metal wall-mounting cleat for securing cabinets. Scribe a line across bottom of cabinets and secure cleat at proper height to hang the cabinet.

If lighting is desired under a hutch or wall-hung cabinet, we recommend lowprofile LED lights.

Use hutches on the top of either 29" or 37" high cabinets to align with 68", 76" or 84" high tall storage. Select your hutch height by subtracting the tall storage height from the base cabinet height (with worksurface).

Two types of hutches are available – hutches with 14" deep tops and hutches with 20" deep tops. The 20" deep top hutches are for use with sliding markerboard assemblies.

Hutches are mounted to the worksurface to align with anti-tipping standards. Never set the hutch on top of the worksurface without securing the two units with Fleetwood-supplied hardware. Hutches are designed for analog storage, markerboard use or digital display.

Hutches are designed to align with the back of the worksurface. They do not require fillers. Do not place a backsplash behind a hutch unit. If a hutch is sandwiched between two tall towers, it may be mounted flush with the front of 20" deep cabinets.

This will provide easy access to contents or improved monitor visibility. When facing a hutch front, the hutch end panel should be directly above the base cabinet's end panel. If this cannot be achieved, keep hutch end panel within 6" of the base cabinet end panel.

Worksurfaces and backsplashes

You'll notice that the base cabinet does not include a worksurface. You can specify a worksurface to match individual cabinet depth and width, or you can choose a spanner top, which will cover multiple cabinets up to 120" in length for an even cleaner, more refined aesthetic. To support future reconfigurations, units with spanning tops can still be disassembled and easily moved to new locations. If matching-width worksurfaces are optioned onto base units, the tops will be factory installed. If spanning worksurfaces are selected, the tops will be field installed.

All worksurfaces are 1" thick with HPL laminate on the top and backer underneath. All have 3mm edgeband. NOTE: All Fleetwood tables and desks now feature 1" thick worksurfaces to align with Illusions 2.0 and Designer 2.0. Matching-width worksurfaces may be optioned onto the base cabinet when ordering. They are factory-installed and may be selected with or without a backsplash, which is also factory installed. Matching-width worksurfaces simplify moving when reconfiguring Illusions 2.0. NOTE: Matching-width worksurfaces will create a seamline between units. This is not advisable in situations where water might be used. It will also make cleaning more difficult due to crevices between cases.

Spanning worksurfaces up to 120" wide can span multiple base cabinets and are available in 3" wide increments. They are ordered separately from the base cabinet. Use spanning worksurfaces with or without a backsplash (see below for more information on backsplashes). They also can be field cut to size. Calculate total length needed to cover all base cabinets. Spanning worksurfaces should start and end on the edge of a base cabinet. One exception: If a wall-to-wall fit-up is desired, order an extra-wide spanning worksurface to fill the gap between the cabinet and wall. The spanning worksurface may need to be field cut if the desired length is not on a 3" increment. Specify a front filler to fit under the worksurface.

Spanning worksurfaces, available in 20", 24" and 25" depths, can be unsupported between base cabinets in lengths up to 48" to create a knee space for desking applications. If this is not desired, bridge worksurfaces or desks may be used. 24" and 25" deep worksurfaces create a 4" gap between the back of the 20" deep base cabinet and wall to accommodate power, data and plumbing. To keep the chase open, only use filler panels on the end-of-the-run if 4" gap is visible. Filler panels close the distance from back of cabinet to wall. (See FILLER BASICS for a better understanding of fillers.)

After installing worksurfaces, field install grommets in worksurface.

Worksurface bridges in widths from 30"-48" can be placed between base cabinets with individual tops to create knee space. These worksurfaces can be height adjusted to support smaller children or ADA needs.

Backsplashes are optional on worksurfaces with matchingwidth worksurfaces and must be ordered separately with spanning worksurfaces. Backsplashes on matching-width worksurfaces are attached to the worksurface in the factory. Field-installed backsplashes must be field-glued to the wall and worksurface. (Glue not provided.)

Spanning worksurfaces and backsplashes are available in 3"W increments. Backsplashes can be field cut to size.

MATCHING WIDTH WORKSURFACE WITH OPTIONAL BACKSPLASH

SPANNING WORKSURFACE WITH SEPARATELY SPECIFIED BACKSPLASH

Illusions 2.0 Planning Overview

CASE CONNECTIONS

While Fleetwood's patented quick-connect brackets work with both spanning worksurfaces and matching-width worksurfaces, the brackets cannot hold a cabinet's suspended weight. They are for location and alignment and are optional. Field installable through bolt connectors ship standard with every base cabinet and lock cabinets together.

Quick-connect brackets

Through bolt connectors

MOBILITY

Illusions 2.0 offers two mobility options. 4" high levelers are standard in the base unit. These units can be easily moved with a dolly. If you desire more agility, you can option on a caster/leveler combo solution. In this case, you will be able to roll the unit on casters to its destination. Level the case in its final position. All units feature a 4" high base, which aligns with the height of Designer 2.0 casters to achieve a cohesive, unified look.

PULL HARDWARE

Illusions 2.0 and Designer 2.0 offer the same pull and hinge options for aesthetic compatibility of the two lines.

FILLER BASICS

Side fillers close the gap between the back of the base cabinet and wall. These are 4" deep, and no field cutting should be required unless walls are not square to the floor. Use side fillers in end-of-run applications when a gap is visible on the side of the cabinet.

Tall fillers are a variant of the side filler used with base cabinets. They are used with towers and wardrobe type storage (68" to 84" high), which include an optional 24" deep top. The side panel for the tall filler extends the full height of the unit (minus the top). This allows tall storage fronts to be flush with 24" deep base storage.

Front fillers close the gap between the front of the cabinet and the adjoining wall. They are field cut to account for architectural wall variances. They conceal power, data and plumbing from view. Front fillers are flush with the toe kick when installed. Use front fillers with extended width spanning worksurfaces. Order the worksurface so it spans the gap between the cabinet and the wall.

Corner fillers (base and wall hung) are engineered to prevent adjacent doors from touching each other when opened. These fillers are 3-dimensional and include tops, but do not provide any storage. Corner fillers are required in all 90-degree planning situations.

SIDE FILLER

TALL FILLER

CORNER FILLER

SPECIFICATION STEPS

1. Determine your desired depth: 20", 24" or 25" deep.
2. Choose your desired 20" deep base cabinets and layout. If you plan to use 24" or 25" deep worksurfaces, move units 4" out from the wall. Remember to add options like quick-connect hardware and caster/leveler combination options, if desired.
3. Order your desired worksurface depth. If you are using 20" deep worksurfaces, no side fillers are needed. If you are using 24" or 25" deep worksurfaces, plan to address these as your final step. You might also want to wait to order backsplashes, as hutches will interfere with them. If you are using 14"D bookcases, no worksurface is specified. All bookcases come with a 1" thick top, but no spanning bookcase tops are offered currently.
4. Select your upper storage. Choose from wall-hung cabinets or hutches.
5. Choose your tall storage and bookcases to complete your configuration. Again, if you have selected 14" or 20" deep, you will not need fillers. If you have selected 24" or 25" deep units, you might need fillers if bookcases are not at the end of run.
6. Review the final application for fillers that will be needed on exposed end-of-runs or on the fronts of units if a snug wall fit-up is desired. Review the application and add desired optional backsplashes.

SPECIFICATION TIPS

Measure with Care. Be sure to account for such obstacles as fire suppression ceiling fixtures, light switches, phones, intercoms, fire extinguishers, baseboards, windows, heating/cooling vents and exposed plumbing fixtures/pipes as you determine the space for furnishings. Measure twice, cut once applies to anything field cut – like base fillers, backsplashes and grommets. Freestanding away from the wall? Consider your storage application – will furnishings remain stationary against the wall or will they be used to separate space in your room? Illusions 2.0 may be used to accomplish space division because the backs are finished. Be sure to secure the product in alignment with local codes, which may require the product to be secured to the floor. However, you also might want the flexibility of mobile Designer 2.0 units (which will also facilitate quick reconfigurations).

Keep it Clean. Using the same size width for base, hutch and wall-hung storage will create a clean, eye-appealing look.

Be Budget-Wise. Open cabinets are most economical. Add doors and drawers where necessary. Other ways to lower your costs include using:

- levelers versus leveler/caster option
- spanning tops versus independent tops
- backsplash-free solutions
- lower-height solutions (i.e., 76" high vs. 84" high)
- wider versus narrower cabinets

Different by Design. Design and depth changes in Illusions 2.0 base cabinets do not allow for connection to base cabinets from our legacy Illusions Collection. If you are adding on to our legacy Illusions Collection, please see Fleetwood's legacy price list.

Illusions 2.0 + Designer 2.0 + Tables + Seating
= Great Classroom Environments

While Illusions works great alone, as called out on the opposite page, its power is multiplied when used in conjunction with Designer 2.0, any Fleetwood table, or any Fleetwood chair solution.

Illusions 2.0 and Designer 2.0 are on the same platform so heights, widths, and depths line up. Fleetwood also redesigned our tables, so they all have 29" and 37" heights and 1" thick tops to match base storage.

All seating is designed to provide the correct ergonomic gap between chair seat height and table underside.

Plus, everything is offered in the coordinating surface materials to create a unified aesthetic throughout the classroom.

Base Shelf

Illusions 2.0

WORKSURFACE

- No worksurface (default)
- Matching width worksurface with or without backsplash
 - HPL (worksurface and backsplash default)
- Spanning width worksurface, spanning width backsplash (order both separately)
 - HPL (worksurface and backsplash default)
 - Chem resistant HPL
 - Phenolic resin
- 1” thick worksurface and backsplash
- 3mm edgeband

SHELF

- Adjustable, fixed, and base
- 35 lb. to 100 lb. capacity depending on width

Base Drawer

Illusions 2.0

WORKSURFACE

- No worksurface (default)
- Matching width worksurface with or without backsplash
 - HPL (worksurface and backsplash default)
- Spanning width worksurface, spanning width backsplash (order both separately)
 - HPL (worksurface and backsplash default)
 - Chem resistant HPL
 - Phenolic resin
- 1" thick worksurface and backsplash
- 3mm edgeband

DRAWER

- Steel drawer bodies
- Full extension slides
- Keyed alike cylinder lock
- Unique lock per drawer
- 50 lb. capacity - box drawer
- 150 lb. capacity - file drawer

DOOR

- Soft close 120° European hinge
- Keyed alike cylinder lock
- Lock plate on double door unit

PULL

- Arch pull - 128mm (default)
- Metro pull - 128mm
- Urban pull - 128mm

MOBILITY

- 4" leveler (default)
- Leveler/caster assembly
- Height adjustment features concealed

CASE

- Camlock design
- .75" thick laminate panels except for 1" thick bottom
- All visible panels finished
- 1mm edgeband
- Metal stretcher in top back
- Metal reveal in top front
- Through bolt connector to join adjacent cases (default)
- Quick connect assembly

SHIPPING

- Ships assembled
- Matching width worksurface, pull, shelf, leveler, and caster attached (as applicable)

DIMENSIONS

	CASE (WITHOUT TOP)	TOP
Outer width	Nominal*	Nominal plus .19"
Outer depth	Nominal	Nominal plus .08"
Outer height	Nominal less 1"	1"H
Inner width	Nominal less 1.58"	-
Inner depth without doors	Nominal less .95"	-
Inner depth with doors	Nominal less 1.82"	-
Inner height	Nominal less 6.53"	-

NOTE:
Vertical and horizontal internal shelves and dividers are 3/4" thick and reduce usable square inches.
* Nominal: matches dimensions shown on pricing chart

Customize your Classroom.
Illusions 2.0 allows near endless configuration possibilities. We can help you determine the best solutions for your needs.

 Products in teal are Quickship. See page 381 for details.

For colors, see the Finishes section – pages 368-375

Worksurface Backsplash

Illusions 2.0

- BACKSPLASH**
- HPL (default) with neutral-colored balancing backer
 - Chem resistant HPL
 - Phenolic resin
 - 1" thick, 4" high
 - 3mm edgeband
 - No mechanical attachment to spanning worksurface
 - Glue to wall; caulk to worksurface in field
 - Do not use under hutch
 - Intended for perimeter planning application; not for space division

- SHIPPING**
- Backsplash ships separate from hardware
 - Field assembled to wall and worksurface

Tall Shelf

Illusions 2.0

TOP

- 1” thick
- TFL
- 3mm edgeband

SHELF

- Adjustable, fixed, and base
- 35 lb. to 100 lb. capacity depending on width
- TFL (default)
- Painted metal

DOOR

- Soft close 120° European hinge
- Keyed alike cylinder lock
- Lock plate on double door unit

PULL

- Arch pull - 128mm (default)
- Metro pull - 128mm
- Urban pull - 128mm

MOBILITY

- 4” leveler (default)
- Leveler/caster assembly assembly (68"H only)
- Concealed height adjustment features

CASE

- Camlock design
- .75" thick laminate panels except for 1” thick bottom
- All visible panels finished
- 1mm edgeband
- Metal reveal in top front
- Through bolt connector to join adjacent cases
- Bottom panel can act as a shelf but is not included in the shelf count

SHIPPING

- Ships assembled
- Pull, shelf, leveler and caster attached (as applicable)

DIMENSIONS

- All visible panels finished
- 1mm edgeband
- Metal reveal in top front
- Through bolt connector to join adjacent cases

SHIPPING

- Ships assembled
- Leveler and caster attached (as applicable)

Cubby shelves are shipped to accommodate 3-ring binder height. When delivered, the top cubby opening may be shorter than other cubby heights because of the overall cabinet height restrictions. Cubby shelf height is adjustable in 1" increments, so adjust height to achieve desired cubby sizes. You can also add or subtract cubby shelves to achieve the desired number of compartments.

68"H units and above will have one fixed shelf at 43" from floor.

Cubby width is fixed and equally divided within the unit. To determine cubby width, subtract .75" for each vertical panel from the overall cubby storage width dimension. Take that number and divide by the number of vertical cavities. For example, for a 48"W cubby unit with 3 cubbies will have 4 vertical panels. The cubby width is 15".

See equation below.
(Overall width in inches-(#vertical panels x .75"))/3=cubby width (48-(4*.75))/3=15

DIMENSIONS

Filler - Side, Tall, Front

Illusions 2.0

BASE STORAGE FILLER

- TFL
- 1mm edgeband
- Connecting hardware
- Use for end-of-run application with 24" or 25" deep worksurfaces

TALL STORAGE FILLER

- TFL
- 1mm edgeband
- H-shaped structure used with 24" deep tall storage; select 24" deep option on tall storage for 24" deep top
- Connecting hardware
- Use when tall storage application results in gap between cabinet and wall
 - Next to base storage with 24" or 25" deep worksurface
 - End-of-run
- If hutch butts up against side of tall tower, hutch fills gap instead of filler

BASE FRONT FILLER

- TFL
- 1mm edgeband
- Connecting hardware
- Use when wall-to-wall fit-up is desired when facing application
- Field cut to desired size
- Select spanning top to fill gap created by front filler
- Spanning top field cut if gap is not on 3" module
- Custom worksurface sizes also available for use with front filler

Sheerline

Strong • Smart • Stylish

Sheerline storage blends wood and steel for an urban, industrial look that complements any classroom design. Smooth steel perimeter frames and shelves stand up to the most demanding environments, including science spaces. Doors and drawers are engineered for superior utility and durability. Large, industrial casters make pieces easy to move yet incredibly stable.

Sheerline

Overview

**SHELF - STRAIGHT,
SINGLE SIDED, NO DOORS**

**DRAWER -
NON-LOCKING DRAWERS**
274-275

**WORKSTATION - SINGLE SIDED,
SHELVES, LOCKING DOORS**
282-285

Built to last
generations.

MAKERSPACE TOUGH
Metal in all the right places stands up to students' abuse, while maple block helps dampen sounds in noisy environments.

CHOOSE YOUR SURFACE
Elementary spaces call for HPL tops. High school areas need specialized materials – phenolic resin for chemicals or maple block for building. Sheerline delivers it all.

BIGGER IS BETTER
Sheerline and complementary Fleetwood tables feature industrial 5" diameter casters that handle excess weight with ease.

MORE THAN STORAGE
Workstations and presentation carts round out the portfolio, so students and teachers can cluster around oversized tables for project work.

SIZES
W: 42.5", 48", 60"

Library 2.0

Sharp • Sturdy • Studious

Not just for traditional libraries, this shelving, desks and mobile storage collection is also perfect for classrooms, media centers, common areas and administrative offices. It coordinates visually and functionally with other Fleetwood furniture – like Designer 2.0 and Illusions 2.0.

BEAUTIFULLY DIVIDED OR UNITED

Our stand-alone units provide easy setup and reconfiguration. Our add-on, build-up bookcases provide stability and permanence in library environments. Our mobile bookcases optimize flexibility.

MODULAR MAXIMIZES FLEXIBILITY

Banish obsolescence with flexible, modular solutions that can be quickly reconfigured on-site without having to pull carpets or repaint.

CLEAN LINES ELEVATE ATMOSPHERE

When budgets prohibit millwork, don't settle for clunky, pre-built products. Fleetwood's transaction desk system provides clean lines that mimic built-ins.

Plus, it blends beautifully with Illusions 2.0 and Designer 2.0.

UNDERSTANDING SHELVING CAPACITY

BOOK TYPE	ITEMS PER LINEAL FOOT	ITEMS PER 24"W BOOKCASE SHELF*	ITEMS PER 30"W BOOKCASE SHELF*	ITEMS PER 36"W BOOKCASE SHELF*
Youth fiction	10	18	23	28
Youth nonfiction	11	20	26	31
Picture book	19	35	45	54
Easy reader	23	43	54	66
Teen fiction	11	20	26	31
Teen nonfiction	11	20	26	31
Adult fiction	11	20	26	31
Adult nonfiction	11	20	26	31
DVD	17	31	40	48

* 1.5" subtracted to allow for two 3/4" thick end panels.

When calculating books for different bookcase heights:

1. Include the number of shelves called out in the chart
2. Add one (1) additional shelf for the bookcase bottom panel, which acts as a shelf.

So, if "1" shelf is shown, use two (2) shelves instead in calculations.

INTERNAL SPACING FOR BOOKS

Consult the diagrams to see internal spacing using the standard number of shelves with anticipated shelf vertical spacing. Note, none of the shelves are fixed in place, so shelves can be moved, deleted or added. If a shelf is removed, add 3/4"H overall vertical capacity. Shelves adjust on a nominal 1.25"H spacing. Shelves are nominally 11.5"D.

laminated particleboard shelf for horizontal
use, metal shelf for horizontal use, metal
display shelf

Assembled bookcase

(stationary and mobile)

Library 2.0

WORKSURFACE
(for 24", 29", 37", and 44" high bookcase)
• 1" thick
• HPL
• 3mm edgeband

TOP
(for 68", 76", and 84" high bookcase)
• 1" thick
• TFL
• 3mm edgeband

SHELF
• Adjustable, fixed , and base
• 50 lb. to 100 lb. capacity depending on width
• TFL (default on 36"W and less)
• Painted metal (optional on 36"W and less, standard on 42" to 48"W)

MOBILITY
• 4" leveler (default)
• Leveler/Caster assembly available for double-sided
• Height adjustment features concealed
• 44" high and above must attach to wall

CASE
• Camlock design
• .75" thick laminate panels except for 1" thick bottom
• All visible panels finished
• 1mm edgeband
• Metal reveal in top front
• Through bolt connector to join adjacent cases
• 24", 29" and 37" high bookcases accept hutch and monitor hutch when attached to wall
• Single-sided and double-sided bookcases offered; end cap bookcase available for double-sided application

SHIPPING
• Ships assembled
• Shelf and leveler attached (as applicable)

DIMENSIONS

	BOOKCASES
Outer width	Nominal*
Outer depth	Nominal
Outer height	Nominal
Inner width	Nominal less 1.58"
Inner depth without doors	Nominal less .95"

Harmony

Inclusive • Secure • Attuned

Give aspiring musicians storage that's specially made for their craft. Tell us the quantity and types of instruments you want to accommodate, and we'll do the rest. Harmony also includes garment, printed music, folio, high-density and podium solutions, so you can equip your entire music room in style.

HOLISTIC SOLUTIONS**
Band rooms can be chaotic, so let Harmony bring order with its comprehensive, integrated offering that supports instruments, paper, garments, and students.

**VISIBLE OR NOT.
OPEN OR LOCKED.**
Harmony offers instrument storage with single or multiple compartments. Units can be open or have full-length grille or laminate doors. Grille compartmentalized doors are also available.

YOU TELL. WE PLAN.
Figuring out which storage supports what instrument can be challenging. Let our design staff take on the task for you.

Tables & Desks | Storage | Seating | Accessories

Seating

Comfortable • Energizing • Cool

Fleetwood seating collections are designed to comfortably support students while encouraging healthy movement that helps improve engagement and learning. From E! Seating with a solid shell to our Rock stools, our seating is made for a wide range of kids' bodies and all sorts of school settings, from the classroom to the cafeteria. Our seating is also distinctive, colorful and oh-so-inviting.

E! SEATING

Based on a simple platform – a single, integrated back and seat in a solid shell with no ribs – E! Seating is easy to use, easy to clean and easy to love. It can go almost everywhere, from the classroom to the cafeteria and back again. It’s available in an eye-popping range of colors. And it provides comfortable, intuitive, ergonomic support that helps kids focus on learning.

ENERGIZING!

Flexing back. Form-supporting. No-pinch comfort.

ESSENTIAL!

Multiple sizes, colors and options for K-12.

ENGAGING!

Easy-lift handle with backpack hook.

EASY!

Cleanable. Stackable. Movable. Compatible.

ENDURING!

Steel tough. Non-blushing, non-fading shell. Lifetime warranty.

ENVIRONMENTAL!

Long life. Green-friendly materials. Recyclable.

E! Seating

Overview

Stacker

Stacks up to 10-high, features 3 shells in 5 heights, and boasts multi-surface nylon swivel glides with protective bumpers.

SMALL SHELL
10", 12", 14" high seat

MEDIUM SHELL
14", 16", 18" high seat

LARGE SHELL
18" high seat

Caster

Stacks up to 6-high, offers the same passive ergonomic comfort as the stacker.

MEDIUM SHELL
18" high seat

LARGE SHELL
18" high seat

Reverse Cantilever

Stacks up to 6-high and mounts on desks for easy cleaning. Features 2 shells in 3 heights. Base design provides a slight rocking action.

MEDIUM SHELL
14", 16", 18" high seat

LARGE SHELL
18" high seat

Stool

When a chair back is desired, this stool provides outstanding comfort and function for both countertop or bar-stool height tables.

MEDIUM SHELL
26", 30" high seat

Task

5-star pneumatic base with casters that offers passive ergonomic comfort and easy cleaning.

MEDIUM SHELL
14"-20 high seat

LARGE SHELL
14"-20" high seat

Task Stool

Provides seated-height comfort with tables from 34" to 42" high. Easily rolls out of the way when standing.

MEDIUM SHELL
22"-32" high seat

Rock Seating

Rock active stools elevate learning by promoting body movement and student engagement. The unique, patent-pending seat design encourages the kind of motion that turns tired, distracted students into active learners. Sturdy backless design, age-appropriate height options and gentle seat contours improve blood circulation, posture, attentiveness and eye-to-eye interaction.

SEAT

- 13.5" x 13.5" molded foam seat is comfortable and durable (dark graphite)
- 2" radius vertically
- 4" radius horizontally
- Patent pending mechanism attaches seat to frame and allows seat to pivot in all directions

FRAME

- Fixed height options 18", 22", 26"
- Fully welded frame and footrest
- Painted frame
- Custom colors available

MOBILITY

- Oversized glides - all legs

ON THE MOVE

Most students can't sit still – nor should they. Rock enables kids to change posture more frequently, in natural, healthy ways that don't disrupt classroom learning.

Soft Rock

Seating

Like the Rock stool, this fully upholstered seating solution is designed to encourage students to move in ways that naturally focus attention and engagement. It can be equipped with a special base that allows an even wider range of motion. Soft Rock is available in multiple heights to suit different body sizes and create a varied visual landscape.

STOOL

- Soft foam on top section for user comfort
- Dense foam in body for support
- Fully upholstered with detail stitching
- Choose stationary or active base in graphite
- Glides on base

FLOOR CUSHION

Accessories

Easy • Economical • Efficient

Fleetwood rounds out its offering with easy-to-use presentation tools for sharing and collaborating, whether in front of a classroom or a school board meeting. Their long service life makes them more cost-effective and environmentally friendly than paper-based solutions, and – like all Fleetwood products – they’re built to move.

Pages™ Dry Erase Markerboard System

Accessories

Take collaboration to a new level with lightweight, stackable whiteboards that work individually or mount in multiples to mobile carts, cabinets and walls (either horizontally or vertically). Boards are made of durable, high-pressure laminate and have magnetized corners and brackets that easily click together and pop apart.

FIXED HEIGHT OPTIONS:

- 62" (vertical)
- 72" (horizontal)
- 72" (vertical)

PANELS

- 4 dry erase panels included with mobile carts and kits
- Each panel is .5" thick
- Pen and eraser tray
- Magnetic pull & attachment bracket
- Constructed of dry erase HPL mounted to foam core
- Each panel weighs 3.75 lbs.

FRAME

- Steel frame cart options:
 - Vertical
 - Horizontal

MOBILITY

- 75mm casters - locking - all legs
- Cabinet mounting kits for steel
- Cabinet mounting kits for laminate
- Drywall mounting kit

SHIPPING

- Dry erase boards ship with 4 boards per box
- Frame subassemblies ship stacked together
- Horizontal legs ship together
- Trays ship stacked together
- Caster stems installed on legs
- Casters field installed

FINISHES

We take great pride helping you make your school unique and appealing. Our newest standard laminates, paints and fabrics were carefully selected to provide fresh colorways that stimulate engagement. We also team with top surface material manufacturers to create your personal statement from their extensive standard palettes. Or, for functionality and durability, choose markerboard, phenolic resin or maple block options.

LAMINATE GRADING SYSTEM

All Fleetwood storage products, desks and tables are available in three grades of laminate with the exception of our wood frame science tables. The three laminate grades are shown below. For pricing on G5 to be applied, specify a minimum of 25 units.

	Grade 1 (G1)	Grade 3 (G3)	Grade 5 (G5)**
Laminate Type	Thermally Fused Laminate (TFL)	High Pressure Laminate (HPL)	High Pressure Laminate (HPL)
Finish	A Good Book Battleship Black Blackbird Candy Apple Catalina Catching Fireflies Cavalcade South Concord Grape Cornflower Dragon Fire Etched Gray Fresh Cut Fusion Maple Gray Gray Matrix Greige Macchiato Magnolia Moroccan Mushroom Natural Rift Nori Planetree Maple Robin Rugged Trail Santa Rosa Plum Tree Sunbeam Sunny Side Up Taupe White Wrought Iron	A Good Book Battleship Black Blackbird Candy Apple Catalina Catching Fireflies Cavalcade South Concord Grape Cornflower Dragon Fire Etched Gray Fresh Cut Fusion Maple Gray Gray Matrix Greige Macchiato Magnolia Moroccan Mushroom Natural Rift Nori Planetree Maple Robin Rugged Trail Santa Rosa Plum Tree Sunbeam Sunny Side Up Taupe White White Markerboard* Wrought Iron	Any standard Wilsonart HPL laminate in either a #38 Fine Velvet Texture or #60 Matte finish. Specify desired Wilsonart laminate color and finish level (#38 or #60). #38 Fine Velvet Texture - A smooth textured finish with moderate reflective value. Recommended for horizontal and vertical applications. #60 Matte - Textured finish with moderate reflective quality. Recommended for horizontal and vertical applications. www.wilsonart.com

* If markerboard is desired on cabinet exterior, please call for quote. Another laminate will be used on interiors, shelves, etc.

** Fleetwood standard edgeband options are automatically paired with G5 laminate materials. Contact your Fleetwood Learning Environment Project Coordinator for laminate edgeband color matching options.

Culling colors on 12/31/2023: Aqua Lagoon, Cafe Sienna, Charcoal Matrix, Island, Summer Vacation, Trytoo Savatre.

Culling colors on 12/31/2024: Honey Maple, Light Oak, Oiled Cherry.

Culled colors are viewable in Legacy Price list.

CARE AND MAINTENANCE

CARE OF LAMINATE, METAL, PLASTIC FINISHES AND CHEMICAL RESISTANT PHENOLIC RESIN WORKSURFACE

Wipe product with a damp cloth to remove general soil and water-borne stains. If needed, use a nonabrasive, all-purpose cleaner suitable for hard surfaces such as Soft Scrub®, Windex®, Glass Plus®, Formula 409®, Fantastic®, or Mr. Clean® followed by a clean water rinse and dry immediately. Abrasive or harsh chemicals may discolor or mar the finish. Also, avoid abrasive cloths and sponges like Mr. Clean® Magic Eraser. Remove water spills immediately. Do not place heat producing items directly on laminate or chemical resistant phenolic resin surfaces as it may mar the finish. To sanitize surfaces, use a disinfecting, disposable wipe cloth like Clorox®.

CARE OF MAPLE BLOCK WORKSURFACES

Dust with a cloth slightly dampened with water. Clean tops with warm, soapy water and dry with rag or towel to remove any standing water on surface. Furniture wax can be applied periodically to bring back some of the luster which may be lost over the years.

Maple block is a natural material. Variations in grain and color are part of its natural character. Wood products will develop a beautiful patina over time which will modify its initial color. Exposure to sun will accelerate this process. Keep wood products at a relatively constant temperature and humidity.

CARE OF PAGES™ MARKERBOARDS AND WHITE MARKERBOARD SURFACES

Use non-toxic dry erase markers and microfiber cloths to erase. Clean the boards with soap and water only, using a lint-free soft cloth. Avoid harsh chemicals, especially ones that contain ammonia that will damage the finish.

CARE OF EDGEBAND

Use a mild liquid detergent. After cleaning, wipe the edges with a cloth dampened with warm water and dry immediately.

CARE OF FABRIC

SILVERTEX contains an antimicrobial agent. It is safe for diminishing odors and helps control bacterial growth. Cleaning instructions vary based on stain type:

GENERAL: Clean with damp cloth.

STAIN TYPE: Felt tip marker, crayon, chocolate, suntan lotion, hair/body oils. Clean with 1:1 mix of Ivory™ soap and water.

STAIN TYPE: Blood, urine, feces, oil-based paint, tar, asphalt. Clean with a 1:1 mix of ammonia and water, or a 1:4 mix of bleach and water.

STAIN TYPE: Other stains: Clean with a 1:1 mix of isopropyl alcohol and water. If stain persists, use straight alcohol.

CARE OF PLASTIC

When cleaning the E! Seating plastic shell, use warm water, a dishsoap-based cleaner, and a soft cloth. If disinfecting the shell, use an alcohol-based spray or wipe.

SPECIAL AND CUSTOM PRODUCTS

CUSTOM SURFACE MATERIALS

Fleetwood storage cases feature particleboard construction with Thermally Fused Laminate (TFL) faces. High Pressure Laminate (HPL) is standard on all Fleetwood Tables & Desks and on Designer 2.0 products under 68" tall and Illusions 2.0 worksurfaces and bookcases under 68" tall. Both TFL and HPL laminate may be requested as a custom material. Contact your Fleetwood Learning Environment Project Coordinator for lead time and pricing information.

UNIQUE SHAPES AND SIZES

While Fleetwood offers a broad selection of shapes and sizes of products, sometimes you might still need a unique product or finish. We try to make this easy for you. Please contact your Fleetwood Learning Environment Consultant or Project Coordinator at sales@fleetwoodfurniture.com or 800.257.6390 for quoting assistance.

For budgeting purposes, please use the following rules for quantities of **25 or more**. Pricing does not apply for lower quantities. We encourage you to continue to submit special requests to Fleetwood as soon as possible to confirm pricing as unique considerations may impact your custom product request. Please call for all shape changes and base modifications on tables.

Product	Modification	Budget Pricing Guideline
Laminates	Wilsonart standard finish	See pricing within G5 column for supported Wilsonart finishes for quantities of 25 or more. Finishes from all other manufacturers require special quote. Call for markerboard pricing on storage
Fabrics on seating	Non-standard SILVERTEX	\$60 list/chair
Unitized Frame Tables	No shape changes Size change only within existing size parameters Standard sized base	Take next largest sized standard table price and add \$100 list per unit
Stacker Table	See Unitized Frame Tables	
I-Leg Table	No shape changes Size change only within existing size parameters. Standard sized base	Take next largest sized standard table price and add \$100 list per unit
C-Leg Table	See I-Leg Table directions	Call for quote
Post Leg Table	No shape change Size change within existing size parameters	Take next largest sized standard table price and add \$100 list per unit
Storage	HPL on entire case	Estimate approximately \$1,750 list upcharge per unit. Call for quote for specific pricing. Minimums required.

Product	Modification	Budget Pricing Guideline
Pedestal Leg Table	No shape changes Size change only within existing size parameters. Standard sized base	Take next largest sized standard table price and add \$100 list per unit
Pedestal Base & Post Leg Table	No shape changes Size change only within existing size parameters. Standard sized base	Take next largest sized standard table price and add \$100 list per unit
Picnic Table & Bench	See Unitized Frame Tables on previous page

Soft Rock Stool	Custom fabric	Call for quote, except for SILVERTEX™ which is \$60 list/unit
Shell colors	Paint colors	Call for quote

TERMS AND CONDITIONS

PRICING

Pricing shown in this price list is subject to change without notice. Reference Fleetwood's website, CET, Project Matrix, 2020 or Kits Collaborator for current pricing.

PRODUCT

Fleetwood reserves the right to discontinue product and change product specifications. Digital images in print and web-based sites may not be exact.

ORDERS

Orders will be accepted only from authorized Fleetwood dealers. Submit orders via fax or email. No verbal orders will be accepted. Orders are binding only upon acceptance by Fleetwood and conditions set forth in the order acknowledgment and invoice. Orders are subject to credit availability.

All orders must include the following information: 1) purchase order number, 2) billing address, 3) ship-to address, 4) model number with size, description, finish selections and options, 5) quantities, 6) pricing, 7) quote number, 8) delivery date, 9) phone number and contact to call before delivery, and 10) approved drawings (if needed). Also identify 1) customer, 2) dealership, 3) dealer salesperson and 4) other relevant contacts.

An order acknowledgment will be emailed by Fleetwood after acceptance of the order. Fleetwood assumes all orders are correct as acknowledged. It is the dealer's responsibility to review and confirm that all information is correct and to notify Fleetwood within two business days of any order discrepancies. Fleetwood is not responsible for typographical errors.

Order status may be checked on our website: www.fleetwoodfurniture.com.

TERMS

Open account status is only granted after a credit application is submitted and approved by Fleetwood. New customers and international customers are cash in advance. Remittance to be sent to PO Box 1259, Holland MI 49422-1259 or sent via ACH transactions. Please contact Fleetwood Accounting department for details. Dealers with open account status and specific credit limits have payment terms of NET 30 from date of invoice.

CHANGE ORDERS OR CANCELLATIONS

Purchase orders received by Fleetwood are firm and may not be canceled or changed in whole or in part without written consent from Fleetwood. Consent will be determined by customer's agreement to pay any additional expenses that may be incurred resulting from the request to change or cancel the order.

SHIPPING TERMS

Fleetwood will determine the method and carrier that meets the delivery criteria. Shipments will be routed the best way using small parcel, LTL or truck load carriers. Shipments do not include inside delivery, liftgate or call-before notification and are subject to fees that are available upon request. All orders (unless previously determined per purchasing agreement) are subject to shipping costs. (Prices shown in price list do not include shipping costs. Rates vary based on carrier, expediting requests, and final destination.) Charges are prepaid and added to the invoice. All orders are shipped F.O.B origin. Merchandise title passes from Fleetwood to the consignee upon delivery to the carrier.

FREIGHT SHORTAGES AND DAMAGE

Buyers receiving goods must follow these instructions. Failure to follow these instructions may affect the costs for the delivery and replacement of damaged goods.

Buyer must count and thoroughly inspect all items for shipping damage before accepting delivery. If there is a shortage, please note the shortage on the delivery receipt. Note visible damage on the delivery receipt and show the driver. If damage has occurred, report this to Fleetwood within 5 business days. If it appears that damage could be possible, instruct the driver to open the carton and inspect contents. You have the right to accept partial shipments and refuse the remaining damaged units unless the items shipped via a blanket-wrapped carrier. If damages or shortages are not noted on the delivery receipt, the carrier and Fleetwood are relieved of further responsibility, and a claim may not be processed. Please save original packaging in case return shipment or inspection is required.

UPS or FedEx shipments: Inspect the shipment immediately following delivery for damage. Note all damage on the receipt and have the driver initial before you sign the receipt. Do not remove any damaged merchandise from the original carton until an inspection has been made or waived by the shipping company.

DELAYS

Orders will ship per the acknowledged ship date. If the customer requests a delay in shipment, the customer may be subject to fees associated with storage. Requests for delays must be submitted in writing. Fleetwood will provide a storage estimate based on the order size and storage terms. Fleetwood will make all storage arrangements.

RETURNS

Products may not be returned and will not be accepted without prior written consent by Fleetwood. Please contact your Fleetwood Learning Environment Project Coordinator to obtain a Return Authorization. Approved returns may be subject to restocking and other fees which will be determined at Fleetwood's discretion. Products returned must be received in new condition and will be assessed prior to issuing a credit. Non-standard product is not returnable.

STANDARD AND NON-STANDARD PRODUCT LEAD TIMES

Standard products with standard finishes published in the current price list have pre-determined lead times from receipt of order acknowledgment. Contact your Fleetwood Learning Environment Project Coordinator for current lead times. Lead times may extend if demand far exceeds forecast, which can occur during peak summer demand. Fleetwood encourages customers to place orders early to avoid this peak time.

Non-standard products and standard products specified with non-standard finishes may have longer lead times. Contact your Fleetwood Learning Environment Project Coordinator for more information. Fleetwood is not responsible for costs incurred due to delay of shipments.

QUICKSHIP PROGRAM

Fleetwood offers a variety of products on its Quickship program. The 2023 program is effective January 2023. Quickship is designed to ship in 4 weeks. Order size cannot exceed \$25,000 list and must consist of approved finishes unless an exception is granted. Standard Dealer Net terms apply.

Approved finishes:

- All standard TFL laminates and matching edgebands
- Following HPL laminates: Fusion Maple, Etched Gray, Black, Black Chemguard with matching edgebands
- Black Phenolic Resin
- All standard paint colors
- Following plastic colors: Mushroom, Battleship, Black, Greige

All products on Quickship are printed in blue ink within the price list. Request Quickship service level when placing order.

LIMITED LIFETIME WARRANTY

Fleetwood Group Inc. (“Fleetwood”) warrants that Fleetwood brand products are free from defects in materials and workmanship for the life of the product, except as set forth below. This warranty applies to Fleetwood Branded Products delivered in the United States and U.S. territories. The warranty is valid from the date of delivery to the original end user and is non-transferable at its option and free of charge (for materials and components). Fleetwood will repair or replace with comparable product, any product, part or component that fails under normal use. If repair or replacement is not commercially practicable, Fleetwood will provide a refund or credit for the affected product. End user means the final purchaser acquiring a product from Fleetwood or a Fleetwood Authorized Reseller for the purchaser’s own use and not for resale, remarketing or distribution.

EXCEPTIONS TO THE LIMITED LIFETIME COVERAGE

- 12 years: laminate, solid surfaces, natural wood tops, fabrics, casters, glides, levelers, hinges, drawer slides, locks, Rock seating surface and mechanism, Flip & Nest table mechanism, Illusions 2.0 learning wall whiteboards, E! Seating shell-to-frame connections
- 5 years: plastic trays and plastic rails
- 3 years: electrical components, pneumatic and hydraulic cylinders, soft close hinges

WARRANTY DOES NOT APPLY TO PRODUCT DEFECTS, DAMAGE, FAILURE OR LOSS RESULTING FROM:

- Normal wear and tear (including, but not limited to, scratching of epoxy tops, maple block tops and phenolic tops, and ghosting on whiteboard desks, tables and Pages, and puncturing of the Rock seating surface)
- Failure to apply, install, reconfigure, or maintain products according to published Fleetwood or manufacturer instructions and guidelines
- Use of abrasive cleaners
- Abuse, misuse, or accident (including, without limitation, use or storage of product in unsuitable environments or conditions)
- Product exposure to water or other liquids
- Unauthorized alteration or modification of the product
- The substitution of any unauthorized non-Fleetwood components for use in the place of Fleetwood components

WARRANTY DOES NOT COVER:

- Products considered by Fleetwood to be consumables, such as Pages dry erase markerboards.
- Variations occurring in surface materials (e.g., colorfastness, matching grains, textures and colors across dissimilar substrates and lots), and natural aging found in materials such as wood
- Any non-standard products that were explicitly excluded from warranty coverage and captured in writing on the quote
- Other manufacturers' products (Fleetwood will pass along other manufacturers’ warrantees.)

WARRANTY PROVIDES EXCLUSIVE REMEDIES:

- Pursuant to this limited warranty, if a product fails under ordinary use as a result of a defect in materials or workmanship, Fleetwood will 1) repair or, at Fleetwood’s option, replace the affected product at no charge with a new or refurbished product of comparable function, performance and quality or 2) refund or credit of the purchase price for the affected product if, at Fleetwood’s discretion, Fleetwood determines that repair or replacement is not commercially practicable or cannot be timely made.
 - A product “defect” means an inadequacy in the materials or workmanship of the product that 1) existed at the time when you received the product from Fleetwood or a Fleetwood Authorized Reseller and 2) causes a failure of the product to perform under ordinary use in accordance with the materials and documentation for the product.
 - An “ordinary use” means use of the product 1) in conformance with all applicable local, state or federal laws, codes and regulations (including without limitation building and/or electrical codes) and 2) in accordance with manufacturer recommendations and/or instructions in the materials and documentation for the product.
 - A “Fleetwood Authorized Reseller” means any dealer that 1) is duly authorized by Fleetwood to sell the product, 2) is legally permitted to conduct business in the jurisdiction where the product is sold, and 3) sells the product new and in its original packaging.

- Replacement parts are covered for the balance of the original product warranty.

Fleetwood reserves the right to request that the damaged product be returned prior to granting a remedy.

THIS LIMITED WARRANTY IS THE SOLE REMEDY FOR PRODUCT DEFECT AND NO OTHER EXPRESS OR IMPLIED WARRANTY IS PROVIDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FLEETWOOD SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES.

FLEETWOOD'S WARRANTY MAY BE AMENDED AT ANY TIME. CONSULT THE WEBSITE FOR THE MOST CURRENT EDITION.
