- Task chairs and Task Stools have 65mm dual wheel soft tread roll control casters
- Task chair and Task Stool bases have glass filled nylon plastic bases
- Electrostatically powder-coated paint on all metal parts
- Chair weight capacity is 275 lbs.

Shell design:

- Heavy duty mineral and glass filled polypropylene construction with anti-fade, blush-free characteristics
- Flexing back
- Bag hook integrated in handle
- Shell attached to frame with four ¼-20 bolts

Surface material:

- 13 standard shell options
- 4 standard paint options

Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.

Testing Results:

E! seating passes all BIFMA Standard X6.1_2018 - Educational Seating testing standards including 6"H drop test for functional load and proof load. Chart calls out test requirements.

Chair Size	Functional Load	Proof Load
Size A-Less than 13.9"H seat-74 lbs. (95% female-6 years)	113 lbs.	150 lbs.
Size B-13.9"-16.7"H seat-200 lbs. (95% female-12 years)	169 lbs.	225 lbs.
Size C-Greater than 16.7"H seat-275 lbs. (95% male-adult)	225 lbs.	300 lbs.
